-
- 1:00 pm** **Guided Meditation and Breathwork Workshop**
Chanin Storm
Join us for a guided meditation to create a space to use for healing and personal work that incorporates breathwork into the session to achieve a deeper meditative state.
-
- 2:00 pm** **Letting Go & Thriving: Transforming Pain Into Power**
Terrie Christine
Each one of you have experienced some form of pain. It may have been physical, emotional, or spiritual. Come with me so that I may show you how to reclaim your power. Let's turn your surviving into thriving! This workshop includes a group energy clearing.
-
- 3:00 pm** **Introduction to the Life Between Lives**
Chris Alyssia
The life between lives is everything that happens between the time we die in this form and are reborn in another. We spend a fraction of our existence in physical form. Learn about the time spent in-between lives; in the place where our consciousness lives.
-
- 4:00 pm** **Sound Bath with Sabrina**
Sabrina Madsen
Enjoy a relaxing, meditative sound bath journey with crystal singing bowls, drumming, native flutes, chimes, intuitive singing, and/or other beautiful sound healing instruments. A sound bath is like a vibrational massage for the body, mind, and spirit. Doors will close at 4:10pm and may run past the end of the festival. Please plan accordingly.
